Dear homemakers,

I would like to thank you on behalf of my client, Miss \_\_\_\_\_ who has recently received some furniture from yourselves by accessing the homeless budget. Miss \_\_\_\_\_ paid half towards the furniture and is extremely grateful for the pots and pans that you kindly donated to her.

Miss \_\_\_\_\_ has led an unsettled life for a period of time but is working hard to turn her life around and has recently moved into a new property. With the help of homemakers, she has now been able to furnish her property which will greatly improve her quality of life.

Miss \_\_\_\_\_ and myself would like to thank you for your help.

Kind regards

Rebecca Stone
