Dear Homemakers,

Can I express my sincere thanks to your kindness shown to Mr Weir of Tredegar regarding the kindness shown to him by assisting him with a number of essential items of furniture which will help him get his life back on track by turning a house into a home! It is very reassuring that your organisation exists, and proves when times get tough organisations like yours are there to HELP. This valuable work can make a difference to families and individuals trying to make life a little easier by making a better home.

Many Thanks

Barry Edwards
SSAFA Caseworker
Blaenau Gwent
