Dear Tania

RE: SALMONS HOUSE, NEW ROAD, CRICKHOWELL

Just wanted to drop you a quick message to say a BIG thank you to you both and extend the thanks to the 4 men who came and cleared our Nans house on Wednesday.

To watch the men loading up the vans, especially the first van and how meticulous they were in stacking the wood, it was like looking at a deck of cards, it was impressive to see.

You all worked tirelessly and it was all done in such a short space of time, everything was so well timed and professional.

Everyone was so polite and nothing was too much trouble.

We have put a little hamper together along with some bottles of water which I know you will pass on to the men and we hope they enjoy it – they certainly deserve it.

With kindest regards
