Crisis Work

Dear James

24 Hour

Women's Aid Monmouthshire would like to convey our thanks for all the support the team at Homemakers have given to our organisation not only this year but in previous years. Women usually enter refuge with very few possessions and often just the clothes they stand in. Starting a new life is a difficult time for all of us but for women and children who have experienced domestic abuse it is a great deal more difficult and often traumatic.

Support

Having your support and assistance to move on with their lives is invaluable. Without this support women and children would have to move out of refuge without a bed to sleep on, a chair to sit on or any other items of furniture which are essential in creating a home.

Information

Once again a big thank you from all at Women's Aid Monmouthshire and the women and children we have supported. We wish you every success in the future and look forward to continuing working with you.
